

TechnicalData

Maxol Indusol EP 680

Description:

Maxol Indusol EP 680 is a high-grade industrial gear oil, based on mineral oil, under addition of lead-free EP-additives.

- Very good resistance towards high pressures and shock loads
- Good resistance against high temperatures
- Good corrosion preventing properties
- Excellent prevention from wear
- Very good activity against foaming
- Low pour point

Application:

To be used for the lubrication of almost any type of industrial gear box, even when exposed to heavy duty and shock loads.

Performance Level:
