

COMBINATION SMOKE AND CARBON MONOXIDE ALARM

BATTERY-POWERED | MODEL K10SCO

BATTERY-POWERED SMOKE AND CARBON MONOXIDE ALARM WITH VOICE WARNING FEATURE

Overview & Key Features

Battery-powered combination alarm that offers protection from the dangers of smoke/fire and carbon monoxide (CO). The voice warning feature helps to determine which danger has been detected.

- Voice alarm feature tells you which danger has been detected
- Peak level memory provides notification when dangerous CO levels have been detected
- Front-load battery compartment makes it quick and easy to change batteries without having to remove the alarm from the wall or ceiling
- Green, amber and red LED's indicate alarm status
- End-of-life warning alerts user to replace alarm after 10 years
- Hush feature allows nuisance alarms to be temporarily silenced, such as those caused by cooking or steam
- Test and reset button to enable regular testing of alarm function
- Battery operated – 2 x AA alkaline batteries supplied as standard
- 10-year manufacturer's warranty
